October Notes:

I met with my staff and we discussed this year's cooking demo. Here are our thoughts and preliminary plans.

- Ask Louisiana Culinary Institute chefs, John Reason and Colt Patin, to be the guest chefs for the appetizer and gumbo.
- Ask Distillerie Acadian to provide/sponsor the drink pairings. They have preliminarily said they want to return.
- Find a dessert provider/sponsor. Initial thoughts, provided they are or become chamber members, are Guidry's Cake Shop, Fudge It, or pastry chef at Cypress Bayou who came once before.
- Ask Tabasco to be the Tabasco Hot Sauce sponsor.
- I will MC/host the event. Other suggestions are welcome but I would not pay for a host.
- Book Brandon Menard to be the musician.
- Ask an artist, Jerome Webber or Paul Schexnayder, to do a painting live during event.
- Port Commission will provide flower arrangement/centerpieces.
- Chamber will provide tablecloths
- Port Commission will provide bowls, plates, utensils, drinking glasses, napkins for the event.
- Meet with Katherine to use Victor's. Plan for seating capacity of 70. Limit tickets sold to 50 but allow walk-ups. Pricing should remain same, \$50 for one, \$75 for a couple.
- Add a starter dish like shrimp cocktail in addition to appetizer, gumbo, and dessert. Add more quantity to all dishes. Will discuss with chefs.
- Consider adding a small complimentary gift box/basket of local treats for each guest.
- Port Commission will provide set up, servers and clean up personnel.
- Consider whether to continue virtual event element.
- Eliminate video and video screen set up.
- Chamber to sell and and collect tickets.
- Event is same start and end time as last year on Saturday evening.
